

# The Most Famous Ice Rink In The World

Twickenham Alive and Legends Publishing have teamed up to produce a very special book for 2013, designed to encapsulate the amazing stories that we are unearthing on a weekly basis – real stories supplied by real people. Some will make readers laugh, some will make readers cry, but all will underline the continued community spirit that exists for Richmond Ice Rink.

The launch of the book will coincide with another landmark event, namely the return of an ice skating facility to our borough – Twickenham Alive ([www.twickenhamalive.com](http://www.twickenhamalive.com)) is proud to have agreement for a rink to be built at the York House grounds during 2013.

**'The Most Famous Ice Rink In The World'** will be launched in the Autumn of 2013, but advanced purchases of the limited edition publication can be made now priced £12.00 [plus P&P] from [www.legendspublishing.net/ice](http://www.legendspublishing.net/ice). Those who buy online before the end of July 2013 will also be eligible to have their name (or the name of a family member or friend) printed in the dedications section of the book.
