Welcome To The Twickenham Riverside Jubilee Festival 2012

Twickenham Alive is pleased to be organisers of the Twickenham Riverside Jubilee Festival, which was inspired by the success of the Twickenham Riverside Regatta in September 2011.

The Festival will include three days of river based activities, while Church Street will host a Jubilee Street Party, Craft Market and an Italian Market. St Mary's Church will be holding their annual Fayre. There will be many open days including Turner's House, Pope's Grotto, the Mary Wallace Theatre, Richmond Yacht Club, Twickenham Yacht Club and Twickenham Rowing Club.

The Twickenham Riverside Jubilee Festival will start with the traditional Tug of War outside the Barmy Arms and the popular Morris dancers will be making their customary appearance. Twickenham Alive aims to bring new events to the Festival and will be working up until the last minute to make this the most exciting festival to take place in Twickenham.

None of this could happen without local sponsors, the RFU and Stone Rowe Brewer, and partners such as Twickenham Rowing Club, Active 360, the Twickenham Town Business Association, Monkeypuzzle and Richmond Council.

The Rugby Football Union supports the Twickenham Riverside Jubilee Festival

The Rugby Football Union sponsors worthwhile initiatives to benefit our local community.

We are delighted to provide support for the Twickenham Riverside Jubilee Festival, which covers a number of local events throughout the town allowing residents and visitors to enjoy all that Twickenham has to offer.

Memories of Twickenham Riverside

The Richmond Ice Rink in East Twickenham was known all over the world. Famous skating stars Torvill and Dean were among millions of people who used the rink during its twenty-three year lifetime before its doors finally closed in 1992. Since this time the ice rink has become a legend in Twickenham and it does not take long in any gathering before the ice rink is mentioned.

Residents in the borough are always on the look out for a permanent ice rink site but so far none has been found. Over the years local newspaper headlines have included "Plans for station ice rink come up again", "Last chance for a Richmond ice rink", "The best ice rink in the world", "Is ice rink set for brewery site?" and "Twickenham's ice rink could return".

Temporary ice rinks are particularly popular in this country and Twickenham Alive is working towards

installing a small ice rink in the grounds of York House this Christmas. We will be working on this project in the coming months and hope that you will support us.

Remember Twickenham's Opening Swimming Pool?

Memories of Twickenham Riverside is a community project, run by the Richmond Environmental Information Centre and funded by the Heritage Lottery Fund. It is focused on the Twickenham Riverside sites below, which will celebrate the rich heritage of this area through an Oral History and collect the wealth of knowledge and memories from people that live or have lived in the area that should be recorded before they are lost.

If you have memories of any of the sites listed below or if you have memories passed down from family members perhaps you would like to share these with present and future generations. Any memorabilia such as post cards, photographs and cine film will be copied (then returned) as part of the project. The project output will be archived by the Council and it is hoped that a home for a permanent exhibition will be found.

LONDON PADDLEBOARDING

WWW.ACTIVE360.CO.UK

You can learn to race or just paddle for fun and enjoy the views and wildlife on your journey.

Stand up paddleboarding is a new sport growing rapidly around the world. Its origins are in surfing but SUP is much more than that. It's very good exercise and a unique way to see London from the river. You can learn to race or just paddle for fun and enjoy the views and wildlife on myour journey. Paddleboarders have paddled across the English Channel and the entire 2,400 miles of the Mississippi river.

Now you can try it close to home. Active360 will be running paddleboarding sessions from Eel Pie Bridge this summer. From late May they will run trips on the Thames, taster sessions, paddleboard parties and workshops. They also sell and hire boards and paddles and run demo sessions so that you can compare different types and brands.

To find out more contact them on 020 3393 5360 or info@active360.co.uk
All sessions are on the calendar posted on www.active3609.co.uk

The Twickenham Alive Blue Mile

World Oceans Day on 8th June will be the start of three days of events across the UK when people will be raising funds to support the work of the WWF (Wild Wildlife Fund) to protect rivers, seas and oceans.

In the London Borough of Richmond upon Thames the Twickenham Alive Blue Mile, a supported Blue Mile event, will have a programme of river activities and a sponsored Walk for Water.

The title sponsor race, the Ecover Blue Mile, will follow a course along Twickenham Riverside, in front of Eel Pie Island and finishing at Eel Pie Bridge. This will follow a series of Kayak and Stand Up Paddle Board sprint events and the One Mile Walk for Water along a beautiful and engaging circular route from Eel Pie Bridge, down river to Orleans Gardens (Hammerton Ferry) and back again.

Entry to the Twickenham Alive Blue Mile, in association with Naish UK and Active 360, includes all equipment – Kayak or Stand Up Paddleboarding (SUP) board, paddle and buoyancy aids. Participants can enter individual events or can sign up for a package that will include the Blue Mile paddle and two sprint races. Participants are required to pre-register before the event online at www.thebluemile.org
